RE: Motion for Reconsideration of Order #11478 Granting Stipulation for Resolution of Objection to Claim number 3213 filed by Fern Clement

Dear United States Bankruptcy Court:

I would like to Request a Motion for Reconsideration of order number 11478 granting stipulation for resolution of objection to claim- # 3213 **Acceptance of Bankruptcy Offer filed by Creditor Fern Clement Claim #3213 -Case No. 13-53846.**

The Creditor is asking the Court to reconsider the Creditor's decision to accept the settlement offer from the Debtor, the City of Detroit.

The Creditor is asking the Court to review new evidence that was not considered when the Creditor made its decision.

The Creditors states that the settlement offer was made to the Creditor under false pretenses and without disclosing the new evidence that the Debtor had available and was not made in good faith. The Creditor asserts that the Debtor, the City of Detroit, withheld this information regarding the Creditor's bankruptcy claim to the Debtor's benefit.

The Creditor asserts that the City of Detroit did not disclose the additional fiscal years that the Creditor may claim for this action.

The Creditor asserts that when it signed the acceptance offer the Creditor was only considering and accepting the offer as it pertained to the Creditor's claim as submitted in 2012.

The Creditor has discovered that the Creditor's Claim may and should include the fiscal years of 2013-14 and 2014-15.

The fiscal years of 2013-14 and 2014-15 should be included as part of the Creditor's claim since the Creditor has continued to be employed by the Debtor during this time of the bankruptcy court action.

The Creditor should have the opportunity to amend its claim calculation to include these years.

The Creditor states that when it signed the acceptance offer it was not including the additional fiscal years that it may claim and would like those years to remain in the bankruptcy action.

The Creditor has attached its amended claim calculation for the Court's review.

The Creditor would like to assert this need to correct and clear the error, and to prevent injustice on part of the Debtor.

Based on these arguments, the Creditor should have opportunity to have its claim heard.

Sincerely,

A handwritten signature in cursive script that reads "Fern Clement".

Fern Clement
